1. EDUCATION

B. Tech – Computer Science & Engineering

Kanpur Institute Of Technology, Kanpur UP | 2023-27

CGPA: 8.3 (1st and 2nd year)

Class XII (CBSE)

Smt. Ram Rati Devi Senior Secondary School , Lalitpur-Mau UP| 2022

Percentage: 8.1%

Class X (CBSE)

Smt. Ram Rati Devi Senior Secondary School , Lalitpur-Mau UP| 2020

Percentage: 8.1%

2. SKILLS

Python, C, Django (Basics), Machine Learning Fundamentals, Supervised & Unsupervised Learning, Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks.

3. ACADEMIC & PROJECT EXPERIENCE:

1. Emotion Detection System (Python, Machine Learning)

- Developed a machine learning–based system to detect human emotions from input data.
- Used Python for data preprocessing, model training, and emotion classification.

4. ACHIEVEMENTS

- Successfully completed academic projects including **Phishing Detection Browser Extension, E- Commerce.**
- Solved **100+ problems on LeetCode**, strengthening data structures, algorithms, and problem-solving skills.
- Maintained a **CGPA of 8.3 per in 1st and 2nd Year**, showcasing consistent academic performance.
- Actively participated in **coding competitions** gaining hands-on experience in real-world problem solving.

5.DECLEARATION

I hereby declare that the above information is true to the best of my knowledge.
